📍 Zug, Switzerland

WORK EXPERIENCE

Junior Software Intern

Service365

📅 July, 2024 - current 📍 Zug, Switzerland

- Developed in-house web app using NextJS, PostgreSQL, and .NET C# to display critical day-to-day information on client messageboards
- Tested software for bugs and operating speed, fixing bugs and documenting processes to increase efficiency
- Built RESTful APIs that served data to the TypeScript front-end based on dynamically chosen user inputs that handled thousands of concurrent users
- Produced detailed design documentation, unit testing, and documented code for in-house web app
- Gained insight and hands-on experience using Azure and AWS

Labourer

Edelweiss Services GmbH

📅 May 2023 - Aug 2023

- Performing various tasks around home renovations and construction
- Developed exceptional work ethic around difficult physical labour
- Ability to complete tasks with tight timelines to deliver large scale projects ontime
- Experience working independently with minimal supervision as direct manager often off-site
- Great team-work skills collaborating with team members on complex construction projects

School Work Placement

Credit Suisse AG

📅 Mar 2019 - Mar 2019

- Assisted with various projects including network security and data analytics
Participated in key meetings with banking industry participants around industry
Detailed project planning sessions around critical cyber security related initiatives
- Shadowed real-time object-oriented software development experts developing threat detection software across the bank's various internal and external email
- Developed an understanding of effective team communication and interaction to ensure quick and efficient execution aligned with appropriate controls and corporate governance requirements

Music Team Leader

Lift International Church

📅 June 2018 - Current

- Lead worship services weekly, managing a team of musicians and vocalists
- Responsible for song selection, rehearsals and team coordination
- Developed strong communication and leadership skills
- Proficient in multiple instruments and adapting to different music styles

ABOUT ME

Having grown up in Canada, I moved with my family to Switzerland in 2015. I completed my middle and high school education in 2021 from the International School of Zug and Luzern. I am currently pursuing an education in Computer Science at the University of Glasgow and plan to work in the industry after graduating. In my free time I love to play music and ice hockey.
